

# LETTER BOX

PUZZLE  
No. 12345

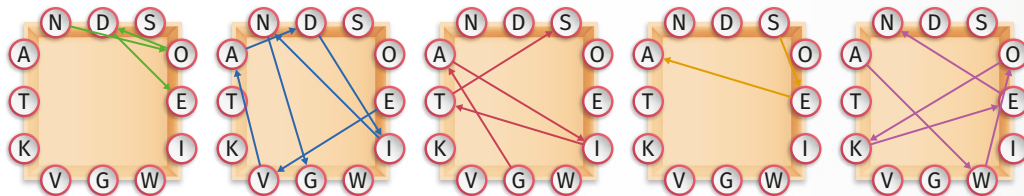

## RULES

- Connect letters to form a series of words.
- Words must be of 3 letters or more.
- When forming a word, two consecutive letters cannot be from the same side.
- The last letter of a word becomes the first letter of the next word. Letters can be reused.
- All letters on the square box must be used.
- Win the game by using up all the letters in 5 words or less.
- No slang, no proper nouns, no hyphenated words, no cuss words and English words only!
